Dear Terry,

I'm writing to thank you for the refurbishment of our Gazette offices in St Thomas Road, Brentwood.

Your remit was to provide a modern media centre for our reporters and a vibrant office for our visitors, and you delivered on all fronts. You produced a layout that both worked operationally and has proved popular with the staff, presenting exactly the image we wanted to portray to our visitors.

It was a smooth and logical process from start to finish. We were able to keep our staff informed and consulted, and the works were done sympathetically to both the on-site personnel and the occupiers of adjoining properties. The team carrying out the refurbishment were courteous, reliable, helpful and accommodating throughout. No project of this nature is without its snags, but these were dealt with swiftly and efficiently. The end result was a modern office that was delivered on schedule, fulfilled our requirements, kept Brentwood Borough Council happy (very important!), and will be a template for all our branch offices from now onwards.

The team in Brentwood are delighted with their new offices, and I'd be more than happy to recommend Detail Interiors to potential clients in the future.

Thanks Terry to you and your team on another successful refurbishment!

Yours sincerely,

Antony Wiltshire
IT & Operations Manager South East
