For the attention of Mr Terry Haydon

Dear Terry,

Please may I take this opportunity to thank and congratulate you and your team for the excellent work carried out during the building of our new premises in Purfleet, Essex.

As you may or not be aware we now have the largest Scania site in Europe which makes us the focal point for Scania VIP's visiting the UK.

I have to report they are most impressed with all aspects of the building but in particular the quality and finish of the office and reception areas of which you had most input.

Having such a prestigious site has also had a remarkable effect on new and existing staff, personally it has become a pleasure to work in such a bright and modern environment.

Thanks again.

Yours sincerely  
On Behalf of Scania (GB) Ltd
