Dear Terry,

ROYCRAFT HOUSE - OFFICE REFURBISHMENT

I am writing to congratulate you and Detail Office Interiors in respect of the above office refurbishment.

Both you and your staff not only supplied me with enormous support in overcoming increasing obstacles in our path, but it was your initial innovation designs and imagination which won the day and has resulted in our impressive office environment which is setting the standard for both.

Once again I would like to take the opportunity to say thank you, to you and all at Detail Office Interiors Limited.

Yours sincerely

Sandra Joseph
